JCI Operation Hope—Japan Relief

Our parent Jaycee organization, Junior Chamber International (JCI), has a fund specifically set up to help victims of disasters such as the one in Japan. The international Jaycee network of chapters and members in over 100 countries responds to disasters through JCI's Operation Hope.

Local chapters across the globe are quite involved in their communities and are often in a

unique position to use existing relationships and local knowledge to serve their neighbors in need. Follow this link to read more about current and recent efforts, and to donate if you so choose: <http://www.jci.cc/guests/en/getinvolved/operationhope> <<http://www.jci.cc/guests/en/getinvolved/operationhope>>

Junior Chamber is very strong in Japan. (Did you know Japanese is

one of the four official languages of JCI?) As noted on the website, members in Japan have often been generous in their help for other countries through Operation Hope. Operation Hope flows through the JCI Foundation, a 501 (c)3 charitable nonprofit.

The Jaycees Creed:

We Believe:

That faith in God gives meaning and purpose to human life.
That the brotherhood of man transcends the sovereignty of nations.

That economic justice can best be won by free men through free enterprise.

That government should be of laws rather than of men.

That earth's great treasure lies in human personality.

And that service to humanity is the best work of life!

The Vision of the North Carolina Junior Chamber:

is to be the premier organization providing opportunities for 21-40 year olds to participate in activities encouraging professional and personal growth resulting in effective leadership that contributes to the local, national and global community.
