## Relay for Life

Do you have a family member or friend that has or had cancer? Please show your support in helping with cancer research by joining our team or making a donation!

We will meet Friday May 13th at 6pm. We will walk for about an hour or so (great exercise too!). Then we will grab something to eat at the event to support the vendors raising money for Relay. We will eat and socialize together before we head home. Please follow the link below to join our team. If you can't attend please donate to our

## Ideas to Raise Money for Relay

- Bring a dessert or donuts to work and put out a donation jar (I have included signs that you can use and/or modify)
- Ask your boss if you

can host a dress down day at your place of employment for a donation.

- Offer a service as a fundraiser such as babysitting, lawn ser-

vice, or car wash.

- Host a dinner party at your house or potluck lunch at work for a donation

## NC Jaycees Burn Center Visit & DSA Awards Banquet

Distinguished Service Awards Luncheon and NC Jaycees Burn Center tour Saturday, May 14, 10am - 3pm Carolina Club on campus of UNC

The Distinguished Service Awards Luncheon and NC Jaycees Burn Center Tour will be held following the NC Jaycees Executive Committee Meeting and a Board of Directors Meeting. Keynote Speaker is former Winston-Salem Jaycees President and NC Jaycees President, T. Wesley Googe, and is the current Chairman of the NC Jaycees Burn

Center Advisory Board. The NC Jaycees have been longtime partners with North Carolina Jaycee Burn Center in Chapel Hill and we will celebrate the 30th anniversary of that partnership. Immediately following the luncheon, we will head over to the Burn Center for a tour and visitation. Dress is Business Casual.

The North Carolina Jaycee Burn Center is dedicated to providing the crucial combination of specialized medical care and rehabilitative services required by victims of severe

burns. Its highly specialized health professionals work as a team to apply the most advanced technology and treatment methods for the care of the individual patient. Since its opening in 1981, the Burn Center has treated thousands of patients with therapy and rehabilitation. Most have returned to their homes and families, successfully resuming their lives.

**We Believe:**

That faith in God gives meaning and purpose to human life.  
That the brotherhood of man transcends the sovereignty of nations.

That economic justice can best be won by free men through free enterprise.

That government should be of laws rather than of men.

That earth's great treasure lies in human personality.

And that service to humanity is the best work of life!
